Mordred - impossible!! he has no weapons ... no sacred garments on his body. a human with bare hands .... can repel the attack of a gladiator ?! Who the hell are you?

Aldeberan - this is something unusual.

### Page 2

Aldeberan - It is not certain that you attack without knowing anything about your opponent.

Athena's duty is not to tolerate those who try to crush peace in the world. and that's why there are Saints. Athena is able to show her mercy to each one of them.

Mordred- it seems that the woman you call Athena is very kind.

### Page 3

Mordred - but not to bestow weapons and armor upon her own soldiers .... and sends them like so to the battlefield, is much cruelty. after all, the combatants are discarded. so we will get along very well.

Aldeberan - hidden weapons? Are his arms made of darkness ?! They all move freely at the same time .... he is brandishing his sword ?!

Mordred- Does she... does she not know the proper way to use his soldiers?

Aldeberan - You called me Papa .... Just you ... the one who has far-reaching existence ... high .... and strong .... for my daughter .... I must be more enraged than any other person. You taught me, yoshino .... that even though there are no blood links .... there is no doubt that you are my daughter.

### Page 9

Aldebaran - and also that I am your father. and that is why I will never fall before your eyes.

Mordred- No way ... I can feel this love overflowing. especially these eyes .... with a color of affection. then this is a bond of trust between a father and child. but how.... Unpleasant.

#### **Page 10**

Mordred - the bond between a father and his child is a strong bond of blood. what's next has to be next ... what's intense has to be intense. something as superficial as that, only turns into resentment. release of the magic sword.
