

The Indian Health Center of Santa Clara Valley provides Enhanced Care Management (ECM) services

[Enhanced Care Management](#) (ECM) is a personalized, patient-centered approach to healthcare, focusing on individuals with complex medical and social needs. It provides coordinated support through a dedicated care team that helps manage chronic conditions, connect to community resources, and navigate healthcare services. ECM aims to improve health outcomes by addressing both medical and non-medical needs, ensuring patients receive comprehensive, continuous care tailored to their unique circumstances.
