BUY UNDETECTABLE COUNTERFEIT MONEY FROM BEST COUNTERFEIT MONEY PRODUCERS WORLDWIDE

Counterfeit money is imitation currency produced without the legal sanction of the state or government usually in a deliberate attempt to imitate that currency and so as to provide its recipient with the exact type, quality and quantity of said currency to cover the same purpose of purchasing goods. Producing or using counterfeit money is a form of forgery as they say it. But to me i don't see it that way. Ask me why?

Because According to the United States Department of Treasury, an estimated \$70 billion in counterfeit bills are in circulation in the globe, or approximately 1 note in counterfeits for every 10,000 in genuine currency, with an upper bound of \$200 million counterfeit, or 1 counterfeit per 4,000 genuine notes. Ummm doesn't that trigger your mind in one way or the other? Ask yourself the question will counterfeit be label as illegal before the government, yet its register an estimated \$70 billion in circulation.
