DISCORD is a draconequus, a uncommon beast with a pony head and a physique comprised of many nasty creatures. He was as soon as imprisoned in stone by Princess Celestia and Princess Luna but escaped, only to be defeated by the facility of friendship. He's since reformed and struggles to maintain out of bother since he is aware of that Twilight Sparkle and her buddies would use the weather of Harmony towards him if he ever unleashed chaos.

As a spirit of chaos, DISCORD the Draconequus made Equestria a wretched place for ponies. He was imprisoned in stone for his crimes and later broke free to trigger trouble again. However once he skilled the true power of friendship, Discord was changed for the higher. He won't be good, however he's trying his finest and that is all anypony can hope for!
