

99 coal mines for commercial mining put on sale in fourth round of auction

Of these 99 mines on offer, 59 are fully explored mines and 40 are partially explored

The government on Thursday launched the fourth round of auction of coal mines for commercial mining under which 99 blocks have been put on sale.

With coal mines rolling over from third round of commercial auction and second attempt of second tranche of commercial auctions, there will be total 99 mines on offer, the coal ministry said in a statement.

"Union Minister of Coal, Mines and Parliamentary Affairs Pralhad Joshi has...[read more](#)
