[Sawasdee NSP](#) is a highly anticipated commercial property developed by Galaxy Group, strategically located in Netaji Subhash Place (NSP), New Delhi. Spanning across 3612 sq. m, this freehold property offers a mix of retail shops and office spaces designed with modern architecture and contemporary facades. The project's key highlights include 3-side open plot, front roadside view, ample parking, and tie-ups with

various popular brands to cater to shoppers' needs. With its prime location and easy accessibility via major roads and public transportation, Sawasdee NSP offers a lucrative investment opportunity with the potential for capital appreciation and a [luxurious commercial](#) experience.
