- All their names are connected to baseball stadiums , one more thing that all these stadium are : Closed , rebuildled or fixed
- We know the cipher but look at this pic

This pic for baseball stadium and how deffensive players stand which are 9 in total And these number detemine there rules in the game So if we clipped the cypher a bit and added it to this pic we will get Something like this

The numbers are matching with some kanjis

So if we take the matched kanjis in the same order and add them together we will get:

サアプレイボールだ

saa pureiboorada

Come on , Play ball !!

This is the official sign to start a baseball match.

There are total of 9 people in the church including Kogoro & Co, that's why the killer insisted on Kogoro to come in a total of 4.

The pitcher is number 1 which means the first victim

.

The killer should be "the last man standing", which is the number 9.

As we see in this suspect : 藤出頼人 His first name is 頼人, which has the spelling ライト (raito), which is the number 9 player in baseball.

The second cipher (1028)

トイレでワンナウト

One out in the toilet

One out is a baseball term. After three Outs the attack is over.

Third chipper (1028)

ソウコデサンアウト

Second out in the storage room

Fourth chipper (1029)

シヨサイデチェンジ

Third out in the study room, then change
