

Vish Ya Amrit: Sitara

This explanation is set in Rajasthan and is virtually women who have their body fluids unclean known as Vishkanyas. Sitara is the daughter of Kuldeep Bansal, a noble man, and Vrinda, a poisonous woman. Kuldeep and Rajguru had imprisoned Vrinda and her sisters, Albeli, Chhabili and Surili in a dungeon all along the southern entrance of the Royal Palace after Sitara's birth. After imprisoning Vrinda, Kuldeep marries a woman named Rachna, who dies later.

22 years later [Kumkum Bhagya](#)

Sitara has now grown up. Kuldeep has told her that Rachna was her mom and that she died giving birth to her.

Sitara comes incite to the palace and meets Viraj Singh, the Prince of the palace and the King's, Raja Ratan Singh. Netra Singh Rathore, the daughter of Ratan's friend, Atharva Singh Rathore, comes there for her selfish motives and wants to acquire married to Viraj. Samrat Singh, Viraj's cousin and the pal of Netra's brother, Aryan Singh Rathore, is plus once Netra in those every plans.

[Kasauti Zindagi Ki](#) doesn't know practically her legitimate identity though Vrinda thinks she is dead. Ralajguru tries to slay Sitara after knowing her truth, but subsequently he understood that lonely Sitara will be competent to protect Viraj and royal family. Raajguru asks Kuldeep to offer them Sitara and she will be saved. Sitara is living and ready to guard Viraj not knowing what is the pure in this total story.
