Description:

We provide you with highly competitive rates and a 100% GUARANTEE on all water damage services provided. Our water damage specialists go the extra mile to ensure you, the customer, are completely satisfied with our services, pricing, and professionalism starting from your initial call to us and ending when your property is fully clean and restored. We encourage comparing our services, pricing, and guarantee with other water damage restoration companies and are confident we will earn your trust. What YOU need to do. Now! Water damage is a common problem in Los Angeles. You might experience it due to a burst pipe, your sink or toilet overflowed, a sump pump failure or weather conditions. Right now, your highest priority is to take action. Removing the water, drying out the area, clean & restore the property to its previous condition BEFORE mold appears. This is where we get into the picture. Water or flood damage can lead to mold & mildew. It is very important at this stage should you get a certified water damage specialist to assess the damage ASAP. Act fast now and you can prevent further damage to your property and content. * We can bill you insurance directly. If you have a high deductible ASK US about our deductible plan where we can pay you up to \$500 on your deductible. Call Now For Immediate Free Assistance: (323) 825-3485
