# LUNG CLEANSE TEA

CAN BE CONSUMED AT ANY TIME

## Description

Introducing Cuppa Cure - a magical blend that will help purify your lungs from the harmful toxins associated with smoking. Rich in antioxidants, this tea helps cleanse and detoxify your lungs, while also providing anti-inflammatory and gut health benefits. Gently invigorating, Cuppa Cure is filled with essential ingredients like green tea, cardamom, cinnamon, turmeric, fennel, ginger, senna leaves, Triphala, tulsi, rose and black pepper specifically chosen to help protect your respiratory health.

Drink up and feel the healing power of the reforested peaks of the Himalayas breathing new life into your own lungs! The natural goodness within each sip of [Cuppa Cure](#) helps reduce

inflammation in the body's cells so you can feel powerful and brimming with energy. Plus its nourishing mix also helps strengthen hair and skin for an even more luminous aura radiating from within. Enjoy all these fantastic benefits every time you take a sip from this delicious brew made with only certified organic ingredients of the highest quality - magical indeed!

### Why drink this tea?

If you're looking for a way to detox your lungs from the harmful pollutants of smoking and air pollution, this tea is here to help. Its powerful ingredients like Senna Leaves & Triphala are known for helping eliminate nicotine residues while aiding toxin elimination. Plus its antioxidants will protect against those nasty free radicals caused by smoke inhalation! Nonetheless, its invigorating flavours make it enjoyable to drink so you can feel refreshed every time you drink this herbal tea infusion.

SOL seeks to share the time-honoured, herbal tradition of Ayurveda with you – a delightful way to bring balance and harmony into your life! Our aromatic teas are crafted from natural ingredients chosen for their energizing properties.

Introducing Cuppa Cure, an ingenious blend that will help purify your lungs from the harmful toxins associated with smoking. Its powerful ingredients such as Senna Leaves and Triphala are known for aiding in eliminating nicotine residues from the body while facilitating better elimination of toxins from the system. Also, the antioxidants found in green tea protect against free radical damage caused by smoke inhalation. We believe Cuppa Cure will be a great companion in leaving behind this addiction as it not only cleanses but also helps accelerate the recovery.

# LUNG CLEANSE TEA

FOR CURBING ILL EFFECTS OF  
POLLUTION & SMOKING

## **Ingredients**

Assam Green tea, Cardamom, Cinnamon, Turmeric, Fennel, Ginger, Senna Leaves, Triphala, Tulsi, Rose, Black Pepper

## **Caffeine**

Contains Caffeine

## **Mode**

Best enjoyed in hot form

## **Tasting Notes**

Enjoy the sweet and fragrant flavours of Rose and Cinnamon, combined with a refreshing hit of Fennel for an unforgettable taste experience.

**Origin**

India

**Packaging**

Tight-lid cylindrical containers are used to store teas after they have been vacuum-sealed in aluminium pouches, which protects the teas from air and light while also preventing them from absorbing aromas and deteriorating over time.
