

## IPL 2022: Five players who could replace established India names for T20 WC

[Umran Malik](#), Arshdeep Singh, N Tilak Varma, Dinesh Karthik, and Deepak Hooda are a few names that are making rounds in the Indian cricket fraternity post the Indian Premier League 2022. These players have done really well and are pushing for a place in the Indian team for the upcoming T20 World Cup which will be held in Australia in October and November 2022. The Indian team announced for the upcoming T20 series against South Africa starting June 08, 2022, has most of these names in it. If the big guns continue to disappoint, they might be in for a surprise as selectors would have a lot on their plate to think about. Here's a list of the top five contenders based on their IPL 2022 performance that can take the place of settled Indian players in India's T20 World Cup 2022 squad.
