

Tips for Making Your Email Marketing Count | ProtonBits

<https://www.protonbits.com/blog/tips-for-making-your-email-marketing-count.html>

These days, email marketing is one of the most well regarded methods for ramping up brand engagement and generating leads. Since the invention of email, countless businesses have used email marketing to achieve parity with their industry peers. Although this type of marketing is generally highly regarded, it can nevertheless prove tough to use email marketing.
