Sleeper

Sleeper: Integral 52in Regional Sleeper
\$15,754.69

When the schedule requires a layover, the 52-inch sleeper is a welcome sanctuary. It measures 94 inches wide with a generous walkthrough and stand-up-and-stretch headroom. Elegant, supremely comfortable and a great payoff any day. Amenities include a hanging storage, premium sound system, optional flatscreen TV mount, generous lighting, 32 or 38-inch mattress and extra storage just where you need it. The separate sleeper control panel manages audio and a liftable bunk is standard as well as inside access to the toolbox.

Sleeper: Integral 78in Sleeper
\$17,067.92

The 78-inch sleeper is the ultimate and elegant interior with everything the driver needs for a great driving experience. Offering extra measure of comfort, this 100% seating table that provides a full passenger seat - for driving and window and lockable seat belt.
