

Patented PRP System from Eclipse Med

Want an effective [PRP](#) system? Then look for Eclipse Med Platelet Rich Plasma or PRP system. This superior, patented technology helps to heal injuries or repair damaged tissue and regenerate new tissue very effectively. There are many differences in Eclipse PRP than other PRP kits. In this system, a small amount of blood required so it's very convenient for the patient. Moreover, it allows you to simply remove red cells, white cells, and platelet-poor plasma without removing a high percentage of platelets. To get more detail about Eclipse PRP, call us on (972) 380-2911 or visit <https://eclipsemed.com/eclipse-prp/>
