Extramarks' Interactive Education brings complex concepts to life and enables you to interact, engage and play with them. It allows students to access learning solutions mapped to their curriculum at home, while simultaneously allowing parents and teachers to track and evaluate the student's performance. Extramarks provides live session, online doubt resolution, live lectures, live youtube videos for studnets so that they can easily understand each topic. Learning with Extramarks is dynamic, interactive and responsive to unique learning needs of each child.
