Content Disclaimer / Disclosure (INCR)

TL;DR: This content includes promotional materials for the issuer. Nothing in this communication is intended to provide tax, legal, or investment advice and nothing in this communication should be construed as a recommendation to buy, sell or hold any investment or security or to engage in any investment strategy or transaction. Investing in micro-cap and growth securities is highly speculative and carries an extremely high degree of risk. It is possible that an investor's investment may be lost or impaired due to the speculative nature of the companies profiled. Please read the full detailed disclosure before which include pertinant details that are not included in this breif summary.

This communication was produced by Metrika Media, an affiliate of arx advisory ltd., (together “metrika”). metrika is an integrated investor relations, data, communications, capital markets, and strategic advisory firm.. The information contained on this may fall under the category of ‘Paid Advertising’ for purposes of Section 17(b) of the Securities Act of 1933, as amended (together with the rules and regulations there under, the “Securities Act”). “Metrika” and its affiliates are compensated by respective clients for publicizing information relating to its client’s which are generally publicly traded companies. Many times, this information may directly or indirectly refer to the company's security(ies). For more information in terms of compensation received for services provided by metrika, see the pertinent advertising materials relating to the respective client included at the bottom of the disclosure. By accessing this Site and any pages thereof, you agree to be bound by the Terms of Use and Privacy Policy.

“metrika” and its affiliates are not a registered or licensed broker, dealer, broker-dealer, investment adviser nor investment manager, nor does “metrika” engage in any activities that would require such registrations. “metrika” and its affiliates do not provide investment advice, endorsement, analysis or recommendations with respect to any securities, and its services to or statements about its clients should never be construed as any endorsement of or opinion about any security of any client. No information contained in this communication constitutes an offer to sell, a solicitation of an offer to buy, or a recommendation of any security or any other similar product or service regardless of whether such security, product, or service is referenced in this communication.

Our articles, reports/releases, videos, and more are a commercial service and are for general information purposes ONLY. We are engaged in the business of marketing and promoting companies for monetary compensation. We usually focus favorable angles because we are compensated to publish only favorable information. We are not objective or independent and have multiple conflicts of interest. The Profiled Issuers and parties hiring us have conflicts of interest.

The contributors may buy and sell securities before, during and after any particular article, report and publication. In no event shall “metrika” or affiliates be liable to any member, guest or third party for any damages of any kind arising out of the use of any content or other material published or made available by “metrika”, including, without limitation, any investment losses, lost profits, lost opportunity, special, incidental, indirect, consequential or punitive damages. As mentioned, nothing in this communication is intended to provide tax, legal, or investment advice and nothing in this communication should be construed as a recommendation to buy, sell or hold any investment or security or to engage in any investment strategy or transaction. Investing in micro-cap and growth securities is highly speculative and carries an extremely high degree of risk.

We urge Investors to conduct their own in-depth investigation of the Profiled Issuers with the assistance of their legal, tax and investment advisers. It is possible that an investor's investment may be lost or impaired due to the speculative nature of the companies profiled. Never invest in any stock featured by “metrika” and its affiliates unless you can afford to lose your entire investment. An investor’s review of the Information should include but not be limited to the Profiled Issuer’s financial condition, operations, management, products or services, trends in the industry and risks that may be material to the profiled Issuer’s business and other information he and his advisers deem material to an investment decision. We encourage our readers to invest carefully and read the investor information available at the web sites of the U.S. Securities and Exchange Commission (SEC) at www.sec.gov and the Financial Industry Regulatory Authority (FINRA) at www.finra.org.

InterCure ltd (NASDAQ: INCR) is a client of ours and has an agreement in place to pay us a monthly cash fee of $25,000, for strategic capital markets advisory, market positioning, risk monitoring, data strategy and among many other things, investor awareness and investor relations advisory services. Investor awareness and investor relations services and programs are designed to help emerging companies communicate their investment characteristics. Our awareness and advisory services include multimedia marketing and other awareness services.
