

# Zillow Clone Script

Buyers can provide the functionality to your users through which they can get exact estimates of land or any property by using our [Zillow Clone Script](#).

<https://www.appcodemonster.com/zillow-real-estate-clone-script>

The advertisement banner features a central image of a hand holding a smartphone displaying the GoAvito app interface. The app screen shows a 'Choose your Categories' section with icons for Automobiles, Furniture, Home & T., Electronics, and More. Below this, there is a 'No Records' message and a 'Recommended' section with a house image. A 3D house model is shown floating above the phone. The background is a green field under a blue sky. The GoAvito logo is prominently displayed in the center. On the right side, there is a blue curved banner containing contact information: a phone number (+91 7010162616), an email address (support@appcodemonster.com), and social media icons for Instagram, Facebook, and Twitter. Below the contact info are icons for Web Panel, iOS, and Android. At the bottom, there are buttons for 'Download on the App Store' and 'GET IT ON Google Play'. A green starburst on the left side of the phone contains the text 'JUST \$1999 ONLY/-'. At the bottom left, there is a small text: 'More Info Visit: [www.appcodemonster.com](http://www.appcodemonster.com)'.
