

# Looking For Pre Wedding Shoot ?

## [Pre Wedding Photographs](#)

Marriage is special day for the bride, groom and also their extended families in India.

Compared to just group photographs taken by regular photographers, photographs that truly capture a wedding as it happens are invaluable. The only photographic way to reveal things as they truly happen is to take candid shots. Candid are images that hold a small story inside of them. Depending on purpose of the image, it can reveal human character, emotions, interaction between people, or social status
