bloggingmark is a music fan site which offers free downloads and mixtapes of Hindi and Punjabi songs. You can also buy music albums and albums with Hindi tracks from this site. The main focus of the site is on Hindi songs since those are the languages used by Hindi speakers all over the world, and are the musical language of Hindi movies as well. It is a great site if you would like to find music for your guarantee or just [download free Hindi songs](#) for your cell phone.

bloggingmark is a search engine for Indian niche music genres. Our mission is to make it easy for users to find and explore Indian traditional music from around the world. We do this by providing a single location where people can search for music by genre: ""All Indian"" or ""Hindi"" or ""Punjabi."" Our search engine does not only provide information on music, but also aggregates third-party media sites at the same time that bring interesting features that contribute to the user experience of our site. This has now become so popular that the music fanatics refer to us as ""music search engines.""

bloggingmark is one of the oldest and most popular download portals online. They were founded in 2005 by celebrity web maestro Gaurav Agarwal and are considered to be one of the few portals where you can find bollywood upcoming song news, movies, [song download](#), short stories over free music and video clips. The websites are loaded with thousands of free music tracks in all genres.

Here at bloggingmark, we specialise in finding the best videos and music and making them available for free to those who want it. We post new videos and music weekly, every Monday through Thursday. Our range is very wide and includes popular Hindi songs from all over India, Punjabi songs from across India, popular songs from all over the world and even a few classics that those with a passion for music may enjoy too. We also upload videos online which can be used in schools and media libraries for class entertainment or educational purposes.
