International school near me

International school in Kuala lumpur

Kingsgate International School is one of the best international school in Kuala Lumpur & Selangor. Kingsgate provide 100% international British curriculum syllabus & expatriate teachers for primary, secondary & nursery school education. Founded in 2017, Kingsgate International School is set to become Malaysia's premier international school. We offer a Kindergarten through to Year 13 programme based on an International British curriculum. Behind Kingsgate's success is a team of dedicated educators. They come from different parts of the globe but share the same passion for quality education and preparing children for the future.
