

Wooden dog double Diners - iconicpet.com

<https://www.iconicpet.com/>

Take a look at yet another innovative product by Iconic Pet, the Sassy Paws Multipurpose Wooden Pet Bed with Feeder! This features a sliding cabinet under the pet bed with two 32 oz high-quality stainless steel bowls. This pet bed is made from durable pine wood and is a great addition to your living room furniture, offering a unique functional style. The pet bed with sliding diner is an example of efficient use of space. The cozy high quality cushion makes your dog feel cooler in the summer and warmer in the winter. The bed cushion is soft and cozy, and features a removable and machine washable zippered cushion cover for easy cleaning.
