

Chapter 69

Page 1

Kokalo - I'm sorry I woke up late, Ema... we'll take everyone's heads in the sanctuary! It's time for the hunting!

Ema - It's you ... brother?

Page 2

Ema - At last I can see your face from the day of your execution my brother !!

It's the rebirth of the brothers ema and kokalo, blood and bones of ephodos!

Page 3

Kokalo - Ema you still believe that I would come back to life. This is for our brothers and sisters

Page 4

Kokalo - But.....

Page 5

Kokalo - How could you not defeat a simple warrior who does not even have armor? This is no more than a great blasphemy against our Lord Ares!

Ema - Brother ... why?

Page 6

Kokalo - Your weakness will be paid with death!

Ema - Brother ... kokalo? It's as if you are someone else ...

I never said that ... when we were alive ...

Degel - impossible! He attacked ... his own brother!

Page 7

Kokalo - The same goes for you.

Degel - Are you raising the temperature? What's happening?

Kokalo - The troops that did not attack are dissipating from the arena. Don't know how to act in front of these two?

Page 8

Kokalo - I did not forget the day of the execution! Nor this resentment

Page 9

Degel - This guy ... he attacked his own companions without a second thought! What are you doing? Get out of the way ... defteros!

Page 10

Defteros - What am I doing? Why am I angry?

Ema - even if everyone became my enemy ... my brother would never betray me!

Page 11

Defteros - Was that guy trampling on his brother's confidence? What feeling is this? Anyway ... he's an opponent to be beaten!

Page 12

Degel - do not be rash, Defteros!

Page 13

Kokalo - Do not think I'm weak!

Defteros - The rocks become lava immediately!

Degel - This is wrong!

Page 14

Degel - What ... you ... will ... defend your brother, even after he attacked you ?!

Page 15

Ema - If it were not for my brother, I would not be here ... in the end, my brother is my world.

Degel - Impossible ... are you ... okay with that? So ... you're just a puppet of your older brother!

Page 16

Kokalo - There are also interesting men in sanctuary.

Page 17

Kokalo - You feel something like what we feel ... living in an isolated world ... avoiding being murdered, living humiliated under the mud ... feeling in the deepest darkness ... I saw this in your fight with Ema. When one think of the saints ... one doesn't think of a man like you, who does not even have a Cloth.

Page 18

Defteros - I do not have a Cloth, but that does not mean I'm a weakling.

Kokalo - I know it. You did this to protect yourself, to live, did you not? But sooner or later ... a fight would have taken place inside you!

Page 19

Kokalo - Good! This is the smell of burnt flesh! In this world only the fittest survives!

Page 20

Kokalo - If you insist on having your own way, you will do no more than beat your opponents before you. so! Predatory Lava!

Page 21

Degel - Defteros! It is not possible to withstand such heat! You're not the right opponent! You must save him!

Kokalo - Ema ... you again let yourself be defeated by a saint.

Page 22

Kokalo - I knew it! as a berserker, I do not need my younger brother anymore!

Ema - Kokalo! Brother!

Degel - The battle arena is in turmoil!

Page 23

Degel - Defteros!

The berserkers are falling. Is it too hot for them? I deeply regret that you do not have a Cloth. Even though it's too late to recognize your strength. If only they knew you at the sanctuary

Page 24

Degel - Wait we are still in the sanctuary..why is there no one in the sanctuary despite the powerful cosmos of these two why is no one in the sanctuary are they aware of our battle? why do not the berserkers leave the arena, even though they are free?

Impossible. Is the arena?

Page 26

Aspros - You realized too late, degel. A few moments ago the arena was confined in the shadow of one dimension. No one is able to enter or leave this arena!

-It's very quiet. Has Master Degel come back?

Aspros - No doubt they are like insects crushed by my desires. And they allowed me to test it. In my learning of the Demon Fist, I launched the technique at kokalo. I was not sure whether or not it would work in ghosts.

Page 27

Aspros - Are you crying, Gemini? Cry for my brother, Defteros? It does not mean that I feel nothing for my brother ... but ...

Page 28

Aspros -My desire is too strong! The ideal of my brother ... and also the title of Pope... I can not go back!

Page 29

This sound is... resonance? The Aquarius Cloth is resonating with another Gold Cloth!

Page 30

Defteros - Brother...is it you brother? congratulations. Finally you got the Gemini Cloth, after all

Page 31

Defteros - You worked hard for it...

Degel - Gemini! Were you resounding with my Cloth? It crossed space-time following the trail of the Aquarius Cloth.

Page 32

Degel - by any chance, it came ... to protect Defteros!

Page 33

Aspros - So you went, Gemini... to be able to save Defteros... it was crying ... the kind face of the helmet of the Gemini Cloth....

Page 34

Aspros - Why do you make that distinction?

Degel - Defteros... in fact, you ... are even qualified to be the Gemini Saint...

Page 35

Defteros - What power is this? The Gemini Cloth is covering me ... but why?

No need to wait for a simple shadow like me

Kokalo - I knew you were an interesting man ... the strength of your own path called the cloth.

The price for your head has just gone up!

Page 36

Kokalo - It will be an offering to Lord Ares, no as a berserker., ..I will make you surrender to me!

Defteros - So try ... I'm not like your younger brother. I will not lose! This is the power of a Gold Saint!

Page 37

Defteros - Born in the light to protect the sanctuary! to reinforce the existence of humans!

Page 38

Aspros - You did it, Defteros. Now I do not even know what transformation kokalo will undergo. It is said that the one struck by the Demon Fist was awakened after seeing a dead enemy before his eyes. I will make sure to enjoy this game fully, defteros!
