Beat the heat and soak in the fun with some of the best Water Parks in town. Sun God is starting to shine down on us with the onset of summers and there is no better way to get the fun quotient soaring! Water Parks are the best getaway options to spend some quality time and create memories galore either with group of friends or a day out with family.

Here are some of the [best Water Parks in and around Mumbai](#) and Pune:

Imagicaa Water Park: India's only [water park](#) meeting International standard rides and slides with close proximity from both the places Mumbai & Pune with a world class stay at Novotel Imagica.

It's surely a paradise and the hub of entertainment where the water's full of life with over a dozen pools, high-speed water slides to set your adrenaline pumping, and you can also catch a wave at the Wave Pool where the surf's always up or Grab a tube, laze the day away and take a leisurely ride down drifting on a 'Lazy River.'

Furthermore, if you are a party animal then this is an ideal destination for music lovers where many Indian and International artists perform throughout the year. You can also club the Snow

Park to get relief from the infamous heat and humidity outside. If you wish to refuel your energy then head over to Imagicaa's exquisite restaurants to refresh from your day's exhaustion.

Water Kingdom: As the name suggests, it's the kingdom of water being one of Mumbai's famous water parks. It is an ideal place for a day-long picnic near Mumbai with family and friends to enjoy a plethora of slides and pools.

Some of the famous and gigantic slides are Adventure Amazonia, Brat Zone and What-a-Coaster! Here there's also the largest wave pool – Wetlantic which is spread across 100 meters with scenic natural beauty and also the Lagoon, spread across 30,000 sq.ft. being India's Largest Aqua play pool. You can also bask in some great food served at many restaurants inside the park.

Nishiland Water Park: This is one of the renowned water parks in Mumbai for a lot of reasons. One, it is spread over 55 acres with lush greenery amid tall trees and the gorgeous Sahayadri mountains which leaves you spellbound. Next, it is known for its prime location leading to connectivity from both the cities of Mumbai and Pune.

This water park has several features to amaze people of all ages. Some of the best features include the Rub-a-dub Jacuzzi, lazy river, Wave Pool, body slides, sweet slides, and a separate children's play pool. Apart from the crazy slides, this water park offers an array of mouth-watering cuisines to keep your taste buds alive and your energy levels high.

Sentosa Resorts and Water Park – A luxurious resort with a Water Park situated at Mumbai-Pune Expressway.

You can have a delightful experience along with your family and friends at budget-friendly rates with a one-day stay option. This place is famous for being kids-friendly where the little ones are given small life jackets. A breathtaking experience awaits here where waterfalls from the mountain inside the pool look beautiful.

They have an incredible spread of food with many options to decide on from. You can even host a wedding, anniversary, birthday party, etc. on their big beautiful lawn.

Shangrila Resort and Water Park: Splash with fun in an opulent resort with an inbuilt Water Park to keep you away from the chaotic urban lifestyle. Some of the temptations here are the Thrilling Splash Pool, magnificent rides and slides and the Great Ever-Flowing Waterfall to rejuvenate you every now and then.

This park organizes a Rain Dance Party on special days during monsoons to brighten up the mood of the guests. This Water Park in Mumbai will surely be an enjoyable and memorable experience with your family or friends.
