

Assange "fighting the NWO":

- Didn't get sentenced for hacking 25 websites including the Pentagon.
- Politically biased "leaks" (never exposes Trump, even defends Putin).
- Pushes the official 9/11-narrative.
- Has own show on RT.

Connections to Rothschild:

- Got hyped up in 2008 by Rothschild-owned 'The Economist'
- Uses Rothschild's lawyer.
- Uses Fox Rothschild lawfirm.
- Rothschild helped pay his bail.

While being "wanted by USA" (and later Interpol):

- Does interviews like Bin Laden.
- Wines and dines at US embassy.
- Voice-over Actor for the Simpsons.

Other questionable things:

- Grew up in a very strange cult.
- Old hacker-name was Mendax, which translates: deceitful, lying, deceptive, untruthful.
- Collaborated with MSM for the "leaks".
- Edits "leaks".
- Wikileaks is a private enterprise not public interest (raising millions of dollars in donations).
