

Ark-Additive

<https://arkadditive.com/>

Founded in 2012, ARK Infosolutions Pvt. Ltd. is a niche player and a leading value-added distributor for Technology Products in India with its world-class team and performance excellence for the industry segments like Animation, Architectural Engineering & Construction, Gaming, Graphic Design, Manufacturing, Mechatronics, Product Design and Robotics. The company partners with clients in achieving effective solutions to meet the inherent challenges of its client's critical business processes.

Headquartered in New Delhi with 350 employees spread across 9 cities in India. Increasingly, the company has become one of the key partners for leading brands, supporting and fueling the growth of the local industries through partner enablement programs.

With a wide expertise in multiple industry domains, Ark Additive is a one stop shop for all 3d printing, rapid prototyping and additive manufacturing products & services. With the 3d printing products and solutions becoming more complicated, Ark additive aims to bridge the gap between the additive manufacturing solution and industry requirement.
