

Unmissable projects in Mumbai by Kalpataru Developer

Kalpataru, a profoundly established name in the Mumbai realty industry, has constructed almost 100 buildings in key Indian cities. Their completed and under-completion projects amount to over 35 lacs square metres, enough to encompass an entire suburb of Mumbai. Kalpataru functions under the visionary leadership of Mr Mofatraj Munot, a first generation realtor. Munot has spearheaded the entity for it to become a multi-billion-dollar company, having its impressions on over 40 different countries around the world.. The core team has numerous other real estate pundits who are shaping this construction giant.

The group has numerous accolades in its name like the Golden Brick Award (2017), the Asia Pacific Property Award (2017-18) and the Construction Week India Award (2016-17). An extensive CSR is evident in the case of Kalpataru. It avidly supports all social causes with an enhanced emphasis on health, education, poverty alleviation and environment.

The excellence and grandeur of Kalpataru residences and business parks are so visible that it would be hard to imagine Mumbai's skyline without its mark.
