

## Basement Renovation Summit-University MN

At [Sletten Interior Solutions, LLC](https://sletteninteriorsolutions.com/), we take great pride in our work. We believe that our work is a partnership with our clients to help them realize their vision for their home or business. We are committed to hiring licensed, qualified personnel with the knowledge and experience to provide exceptional service and to maintain our high standards. Our customers' satisfaction is our ultimate goal.

Whether you are looking for a custom rebuild, remodel a kitchen or bathroom, or have a commercial space in need of renovation, Sletten Interior Solutions, LLC is the right choice for a general contractor committed to honesty and integrity in the building industry. We believe that our emphasis on honest, open communication with our clients and detailed pricing is what draws so many repeat customers to [Sletten Interior Solutions, LLC](https://sletteninteriorsolutions.com/). You can read testimonials from some of our many satisfied clients in the Testimonials section of this website.

One thing that sets apart from other contractors is how we treat your home. We spend extra time to make sure you don't feel like your living in a construction zone by taking extra measures in keeping your home DUST-FREE!

Regardless of whether you are already working with an architect or interior designer, or are looking for a referral, Sletten Interior Solutions, LLC is an excellent choice for all of your building and contracting needs.

We appreciate that you've taken the time to visit our website. Please take a moment to review some of our featured projects. We hope that you will soon add your name to the list of our many happy customers.
