

# What Victims Deal With After A Truck Accident?

# What Victims Deal With After A Truck Accident?

A truck accident can cause untold harm because of the truck's weight, speed, and the dangerous and sometimes deadly cargo it can carry. The aftermath is filled with bills and insurance, rehabilitation, and suffering. Victims who have experienced a truck accident due to someone's negligence typically deal with:

Loss of cognitive skills

Loss of time with family and loved ones

Emotional & physical trauma

Loss of mobility

Disfigurement

Temporary or permanent family separation

Psychological issues caused by the injury

If you or somebody you love has been the victim of a truck accident caused by someone's negligent actions, contact the Los Angeles truck accident attorney immediately.
