

Just after approximately staying run down in the street by a gang generally known as the Scars, Brenda (Linda Blair) and her deaf-mute younger sister Heather (Linnea Quigley) as well as their mates trash the car from the gang leader, Jake. Jake exacts his revenge by obtaining his cohorts to gang-rape Heather. A fight amongst Brenda and her pals and also the Scars at a neighborhood nightclub results in Brenda's Expecting, soon-to-be-married Good friend Francine remaining murdered by the Scars, who throw her off a viaduct. When Brenda learns that is answerable for Heather's rape, Which Francine is lifeless and also the Scars are liable, Brenda arms herself and sets out to avenge them. Getting them at a nearby warehouse, Brenda impales on the list of gang customers, Fargo, with an arrow; kills An additional, Crimson, by snapping a bear entice shut upon his neck; then commences to torture Jake with arrows shot into his thighs along with a searching knife as he hangs by his ft from the gate. However, he then manages to absolutely free himself and assaults her. The showdown ends in a nearby paint retail outlet; as a burglar alarm blares, Brenda douses Jake in paint then sets him on fireplace having a cigarette lighter that she has Beforehand experienced difficulty getting to deliver a flame, just before the police get there.

The movie ends with Brenda (who is presumably dealing with prosecution for your murders of Fargo, Crimson and Jake), Heather and their surviving mates checking out Francine's grave, and Brenda feedback, "A minimum of we set items proper," to which her Pal Stevie replies, "No, Brenda. You set factors ideal."
