

Ukraine Raises \$600,000 Through Its NFT “Museum Of War” To Help Rebuild The Country

Blockchain technology comes in handy once again for the Ukrainian government in raising funds for the ongoing war against Russian aggression.

Ukraine has launched its first-ever NFT museum to preserve its national history and support the military and the citizens financially. Alex Bornyakov, the Deputy Minister of Digital Transformation, [tweeted](#) about the museum on March 25. There, he revealed the official name of the NFT collection: “Meta History: Museum of War.”
