

Rush For Semiconductor IP Suppliers? T-2-M Supersedes All

We provide semiconductor ip all over the world. After our global launch in 2010, t-2-m has established itself as the world's best [semiconductor ip suppliers](#).

T2M IP
YOUR COMPLEX IP PARTNER

Design Services

- IP / SoC Design and Verification
 - Custom PERL
 - UVM
 - ASIC Mask
- Physical Design and Layout
 - RTL Specman FPGA Design Analysis
 - C++
- Analog Design Services
 - Assembly
 - System Verilog
 - Floor plan DFT
- Integration & Porting Services
 - Diagnosis
 - Prototype Synthesis
- Conformance / System testing
 - 5G
 - Simulation
 - Upgrades
 - Validation Field Trials Benchmark Migration
