

Difference Between Graduation and Post-Graduation Course

The basic [difference between graduation and post-graduation](#) is explained below. First of all, it is important to understand the distinction between a graduate degree and a postgraduate degree. A graduate degree is the first or tertiary degree that allows students to continue their studies. Candidates might claim to have finished their bachelor's degree after graduating. A postgraduate degree is one that is obtained after graduation. This degree allows the candidate to pursue a graduate diploma, master's degree, or PhD.
