

## biggest dairy farm in india

**WHEN COWS  
BECOME FAMILY,  
LIFE IS  
LEGEN-DAIRY!**

Ever thought why we're so happy on a vacation? We stay amidst the natural beauty, breathe in the fresh air, and eat local food that's free of preservatives! We're one with nature. We leave behind our modern nuances and relish life in its best form.

### **85 Acres of Paradise**

Pure, natural and unadulterated living experiences that ensure happy and healthy cows. The indigenous cows at our own farms are treated with lots of love, care and pampering, ensuring the [best milk for your loved ones](#). We have developed one of the biggest infrastructures with multinational facilities for our cows. Located in Vadgaon Maval, near Lonavala, our farm is a haven for cattle where they chill together!
