

# The Small Repair Handyman

The Washington DC small repair handyman can complete just about any household task that may arise. They can handle everything from hanging pictures to repairing appliances. In addition to drywall repairs, many of these local handymen are licensed to perform minor electrical or plumbing jobs. Before hiring them, it's important to check their qualifications and experience.

## We Fix It All

The team at Furniture Experts Handyman is here to make your life easier by offering high-end services that are both affordable and effective. Using innovative tech and an in-house concierge team, we are your go-to for small repairs and big home renovations. We even have a small and mighty mobile showroom to showcase the latest in smart home technology, as well as some of our favorite local vendors and brands. We're proud to have earned a reputation as the Washington DC handyman with a difference.

## We're Fast

Washington [DC small repair handyman](#) can fix almost anything, from hanging a mirror to repairing a broken appliance. They may also handle larger home improvement projects and maintenance jobs, such as painting, drywall repair and curtain installation. They often work with homeowners to perform last minute touch-ups before selling their homes, or they can assist with a remodeling project, room layout or furniture assembly. Many Washington DC area handymen offer discounts for multiple services and are available on a flexible schedule, so they're always ready to help when you need them. They can also provide furniture pick-up and delivery. Find a local handyman in your neighborhood on Houzz.
