

Taro Bubble Tea: 8 Things You Should Know

Do you know what is taro? Taro is one of the most popular flavors of boba tea in cafes and shops. Many boba tea fans are drawn to its purple color, creamy and starchy texture, and sweet vanilla flavor. It is usually one of the cafes' best-sellers, alongside classic Thai milk tea and black milk tea. Nonetheless, despite its popularity, few people are aware of the origins of taro bubble tea.

In this post, we will discuss eight fascinating facts about this fantastic drink that most people are unaware of. Only true lovers can confidently answer these questions!
