

Where to find the best food at Burning Man? The Flying Falafels Camp - YouTube

Where can you find the best food at [Burning Man](#)? We have it!

At the Flying Falafels camp, we host an annual event, where we serve thousands of Falafel balls, Tahini fountains, and our famous Arak drinks. It is a Mediterranean extravaganza.

Our gift is the best food at Burning Man, although you may not come to us only for the best food, we also have the best parties.
