

2023-2024 season at Molineux Stadium in Wolverhampton, England on Saturday. Jackson led the way.

Jackson scored the first goal in the second half, opening the door to a big victory. Chelsea scored a goal to win the match, and won the match with Noni Madueke's hat trick.

Jackson has been at the center of criticism since the opening match. Chelsea lost to Manchester City 0-2 at the opening match on Tuesday. The comments were not bad. Coach Enzo Maresca also said, "I played well for most of the games. I didn't score a goal, but I created a chance. Overall, the performance was good." Chelsea legend John Obi-Michel also said, "It wasn't perfect, but Chelsea played well." [토토사이트 모음](#)

Except for Jackson's. Jackson played as the front-line striker, but continued to display his worst performance. He missed a few critical chances. "Chelsea created chances, but failed to make use of them at all. It was a demonstration of Jackson's ability to make decisions," Mikel said. "Look at how he shoots past two or three players. Chelsea need strikers to score goals." "I know I talk about him too much. I don't think he respects him, but I don't think so. Chelsea need a top striker who can score goals. It's like Holan who scored 91 goals for Manchester City."

Jackson must have been paying attention to what Mikel said. "Shut up, don't talk like that. We are giving everything for Africa," Jackson posted after tagging Mikel on his SNS account after the match. Mikel has yet to respond to the situation. However, fans are expressing concern that Jackson crossed the line.
