

What Oriel Does?

Oriel's [Crisis Management](#) practice helps clients anticipate crises and put in system to prevent it from damaging reputation and goodwill or limiting the same to a level that it doesn't threaten the core interest.

- We counsel our clients on
 - Prevention
 - Readiness
 - Response and recovery from crisis situation
- Hands on implementation of crisis communication program
- Strategic guidance all through the phases of crisis
- [Crises coaching](#)
- And setting up of system for prevention and recovery.
