

# Role Of The Tribal Movements In The Indian Struggle For Independence - Nishant Verma

The struggle for India's independence is often remembered for the great leaders like Mahatma Gandhi, Jawaharlal Nehru, and Subhas Chandra Bose. These leaders are famous for leading large protests, organizing non-violent movements, and rallying the people to fight against British rule. However, there is another important part of the independence story that is sometimes forgotten – the tribal movements. Tribes in different parts of India played a significant role in the fight for freedom, often resisting British rule in their own ways.
