# Shivaji Maharaj Rajyabhishek Day | 2022

The coronation ceremony (coronation) of Shivaji Maharaj was done on June 6, 1674, in Raigad. He assumed the title of a king at the ceremonial coronation and became the first Chhatrapati of the Maratha Empire. Moreover, the leaders of Maharashtra wanted the establishment of Hindavi Swarajya and were eager to fulfill it in a Hindu Chhatrapati. Therefore, it was decided that the formal coronation ceremony of Shivaji Maharaj would take place on a large scale.
