

## Very short hairstyles for older ladies

That said, trying out a new haircut isn't as daunting or dramatic as it sounds. Johnny Ramirez of the Ramirez Tran Salon in Los Angeles has spent years perfecting his trademark "lived-in", "low-maintenance" look, which got everyone online talking. With his personalized application procedure, you can rest easy knowing you're in safe, professional hands.

**If you're thinking of shaking things up, we've compiled 35 short hairstyles for older women that we think look incredible.**
