

Why Choose Cavallini from Kami Paper?

Planning to gift someone special? Whether it is your anniversary or a birthday party, or any special occasion, we have the perfect paper for your gift to be wrapped. First established in the historic Ferry Building in San Francisco in 1989, Cavallini provides you with the best quality gift and stationery products. [Cavallini](#) products are inspired from the 19th century anatomical charts to mid-century travel guides, right from maps to botanical plates; the Cavallini collection spans over hundreds of years and preserves a wide array of both everyday ephemera and rare iconic images. This Italian type paper has a 100 gsm weight and ranges from \$1-\$30 and \$30 - \$60.

At Kami Paper, we provide you with an array of Cavallini products like poster wraps, poster kits, puzzles, pouch, cards and more. Our Cavallini poster gift wraps come in a wide range of designs like house plants, cactus and succulents, bees and honey, butterflies, dandelion chart, dinosaurs, natural history insects, jellyfish, fern, celestial chart, kitchen herbs, mineralogy, herbarium, solar system, world wrap, caterpillar, wildflower, geological chart, plumes, skeleton, astronomy and many more. Our Cavallini puzzle collection includes house plant, butterfly, jellyfish, house plant, butterfly, bees and honey, celestial and more. We also provide you with mini pouches of different designs and cards from Cavallini. To browse our complete collection, visit [Kami Paper](#) or call us on +61 3 9419 5735.
