

# Elevate Your Experience with Ketamine Assisted Therapy Infusions

MULTINUTRIENT INFUSIONS

## ELEVATE YOUR HEALTH

IV nutritional and intramuscular treatments are designed for optimal health and wellness. The results may be faster than those of oral or other traditional medicines. As micronutrients are delivered directly into the bloodstream, it can absorb 90% of vitamins and minerals compared to only 20%-50% absorption rate of oral vitamin consumption.

All in a serene, safe & modern environment, under professional medical supervision.
