

# iCatchy Samsung Galaxy A51 Armor Case

[iCatchy Samsung Galaxy A51 Armor Case](#) cover perfectly fits your smartphone and reduces friction between the screen and back cover. Tough round corners give robust protection to your device and also add amazing style. These corners are little bit raised to provide proper

protection to LCD when your phone falls down. These cases have built-in Compact Stand to position your device into your ideal view angle.

This compact stand is specially designed to keep these cases sleek and thin so won't feel bulky at all. (This feature is perfect for movies and games lovers).
