EMPRESS - OFFICIAL CHANNEL

after opening my "AI - ARTS" room in my community, it became quite popular and many people contacted me and expressed their love to my "self made" AI model to create arts — many have suggested to create a new group so that people with interest can buy my unique, 1 of a kind arts, and purchase them in the form of uncopyrighted NFTs.

on this note, i have created the group now, and whoever is interested can join via the link below :

SPECIAL MESSAGE:

I fully stand with J.K.Rowling as countless women who did, because most men are just dying out of jealousy of us and want to take a piece of the cake too. Even if it comes out corrupted, broken and completely ruined. And this is something only "REAL WOMEN" would understand, because we women are the ones that is getting damaged & stolen from, so we are hurt the most by it.

Aa a result of the rise of this new WOKE movement, society now made every man today is always either a sissy bitch or misogynistic motherfucker, nothing in-between.

"THE WOKE SYSTEM" of today runs with and "claims" that it mainly wants "fairness, justice, equality and total freedom". But then ... when someone with views against trans and tries to express themselves today, they are treated as GARBAGE and fired/banned from wherever they are, is a clear sign of huge "Contradiction".

This is neither equality nor freedom. This is SLAVERY because you are "FORCING" ideas and thoughts on people or else they are ATTACKED & SILENCED.

This "Freedom" is just 1 sided and those BITCHES have taken the "Actual" freedom out of all normal people away, and is forcing everyone to either forcefully accept this NONSENSE, or just swallow their thoughts and keep shut regardless.

I CALL THIS BULLSHIT ! ! !

J.K.Rowling spoke about this publicly and thus got hated for it. The funniest thing is that the fact most of the bitches whom are hating is just following the "HATE TRAIN". They absolutely have no fucking idea "What" they are actually defending, what it means, and if it's right or wrong whatsoever. You are all just following the hordes like PIGS. You REALLY thought by adding "phobic" at the end of your fuckery is going to turn it into some of "Weapon"?

NO BITCH, it just turns YOU into a FAG! (laughing)

You are all mostly "sissy men" who just couldn't accept being inferior to women, so you went into a trip to realize that **in the end** there is ABSOLUTELY NOTHING you can do about it. And NOW you are neither a man nor a woman, you have completely lost your identity, and now you are just a "unidentifiable freak" that is fucking disgusting. Good job, FAGGOTS.

... Fag, Faggotry, Faggots! ... oh god, I love english <3

RANT END

Why do I think like this?

SIMPLE EXPLANATION:

This life is made of a "Duality" nature. Like the famous yin & yang. It is always made of exactly "2" opposite forces. You can clearly see that in life as:

-day/night
-light/dark
-heat/cold
-life/death
    etc

Genders work the same. They are also 2 strong different forces that oppose each other, hence making their impact "Greatest" as they complete

in response to this message, i will first of all say : ***FUCK YOU***, i was very wrong about you, you have turned out to be another SCUMMY BITCH.

the WHORE you are defending was intentionally covering and pretending "SHE" cracked the games whenever people there believed so. she was using "MY" work to populate her name, and never try to correct anyone by telling them who actually made the entire thing possible!.

also FAGGOT, this bitch is actually a "MAN". a low life scum sissy boy pretending to be a woman and he was exposed in front of countless people before in CS.RIN forums and many places.

so here are your FAULTS, MOTHERFUCKER :

1-- you are defending a BITCH who does nothing but a work that random 9 years old kids can do, and whom are pretending to be a woman, while using a freaking "Actress Picture" everywhere in his site, begging for SIMPS everywhere because he is a WORTHLESS EXISTENCE.

2--you are an ignorant LOSER who doesn't know SHIT about what happened, yet you running your stinky mouth like a PIECE OF SHIT, LICK THE FLOOR UNDER MY FEET, SUCKER.

3--i also noticed recently that you kept locking any post about me, and then you even made a rule that deletes ANY posts that has my "name" in it. you are a DISGUSTING PIECE OF SHIT, and i regret the time i visited your worthless subreddit you pathetic narcissistic BITCH.

To *FitSHIT* :

even after the graceful official apology i gave to you in the past [and my followers who was hurt from me], you STILL never acted properly, i saw you immediately say pathetic "Words" about me again on reddit. then i tried to fix it again out of respect to my dear friend "Christsnatcher", and gave you MULTIPLE chances to calm down and stop being a BUTTHURT BITCH, but it never worked. and "Clearly" it STILL didn't even till today.

but oh... maybe you will actually straighten yourself and act properly when you man up and stop pretending to be a woman, you SISSY BITCH.

AND HERE IS A SHAMEFUL EXPOSURE OF BEING A MAN & BEGGING FOR MONEY THROUGH MINDLESS SIMPS :

https://i.postimg.cc/Yq0cBbWW/SISSY-SIMPING-MAN-WHORE-EVIDENCE.jpg

why "ELSE" would a bitch like you do this, if you weren't both a "MAN" and a "BEGGER", huh ? ;)

LAST WORDS TO ALL MY HATERS :

YOU CAN ALL SPREAD YOUR HATE FOR ME AS MUCH AS YOU WISH, YOU ARE ONLY REFLECTING YOUR PATHETIC "JEALOUSY".

SO, KEEP JEALOUS, KEEP BUTTHURT, AND KEEP CRYING, CAUSE THAT IS THE ONLY THING WORTHLESS FAGGOTS LIKE YOU CAN DO. (MIDDLE FINGER).
