EMPRESS - OFFICIAL CHANNEL

3 Clarifications :

#1 THE CULT'S PAYMENT SYSTEM.

i made the payment system for my cult for 1 single reason, which is to NOT ALLOW the "no-life" horny fags from getting close to me. they are just obsessed with me and has nothing else to do in their MISERABLE LIVES but stalk me in every step. literal PATHETIC shitheads.

i feel sorry you are so worthless in life and only have ugly girlfriends/wives..... BUT —> *cope with it*, LOSERS.

#2 MY CRACKS

the payments i stated above are only for ENTERING MY CULT. it has NOTHING TO DO WITH MY CRACKS.

entering my cult gives you the opportunity for being close to "ME", the **smartest woman on earth** + multiple benefits such as :

Kopieren

```
--free daily dozens of my ARTS made with my magnificent and personally trained AI model.  
--my own LIVE-PIANO sessions.  
--philosophies and teachings about life and every aspect of the universe.  
--countless fun puzzles/roleplays/cartoons/movies events.  
ETC ....
```

but my cracks are ALWAYS going to be clean, free, and fully public, its not connected to my cult in ANY WAY.

the only payment i will ever require for my cracks is the main donations for the games, which cannot be avoided.

#3 MY INSULTS

to everyone who gets offended from my usual sharp words,

grow up and learn not to take "online texts" too seriously, you retarded **CRINGE KIDS**. stop making clowns out of yourselves, its truly just "pathetic" 🖕

next time grab a popcorn and enjoy the show instead, which will probably be in the next NFO. [unless i am too busy playing starfield]

take care till then 🍷🌹

Empress now selling simple AI generated art as NFT

EMPRESS - OFFICIAL CHANNEL

after opening my "AI - ARTS" room in my community, it became quite popular and many people contacted me and expressed their love to my "self made" AI model to create arts — many have suggested to create a new group so that people with interest can buy my unique, 1 of a kind arts, and purchase them in the form of uncopyrighted NFTs.

on this note, i have created the group now, and whoever is interested can join via the link below :

TLDR at the end if you don't want to read my entire block of text rant shit.

I've been following you since your RDR2 crack. I want to say, professionally, everything you've done was commendable.

However, I'm not here for any normal reason. I'm not here just to thank you for everything you've done for the pirate community. I'm here to tell you about how much you've done for me personally.

I was in a low point in life when I downloaded rdr2, all thanks to you. The game made me feel so much better about my life. It was a turning point in my life. I was going through a hard breakup then, and I had even begun doing drugs (coke mainly), but rdr2 made me realize how beautiful the small things in life really are.

I got interested and started checking who you were. Ever since then, I've been following your every post and NFO. Everything you've done from your cracks to your philosophy posts. I've never felt so identified in my life.

Every single critique against modern culture, and its trashy new wave movements. Every single word you said to stand by your point. Every time you had a collision with a member, I was there, silently supporting you, making alts on every site to shill your name greatly.

I will always be there for you. I will always support you and your work. I can tell you're not in the best place mentally right now, and for that I am deeply sorry.

But you're the one who saved me from going down hill in life, and I feel like I should pay you back. I know I really can't, though. Even though I've donated countless times anonymously, I still feel like it's not enough. I wish I could be there for you. Like, actually there.

I know you're probably not even going to read this, and I know for sure that we'll never get to talk to each other in person. But if you've read up to this point, all I want to say is: I love you. I really do. I've fallen in love with you. Everything you've done for me and you don't even know me... I really love you.

Thank you for everything. I will continue to support you and your work forevermore. If you need anything please do not hesitate to email me. I will always be there for you.

TLDR: Thank you for everything Empress. I'll treasure you forever.

SPECIAL MESSAGE:

I fully stand with J.K.Rowling as countless women who did, because most men are just dying out of jealousy of us and want to take a piece of the cake too. Even if it comes out corrupted, broken and completely ruined. And this is something only "REAL WOMEN" would understand, because we women are the ones that is getting damaged & stolen from, so we are hurt the most by it.

As a result of the rise of this new WOKE movement, society now made every man today is always either a sissy bitch or misogynistic motherfucker, nothing in-between.

"THE WOKE SYSTEM" of today runs with and "claims" that it mainly wants "fairness, justice, equality and total freedom". But then ... when someone with views against trans and tries to express themselves today, they are treated as GARBAGE and fired/banned from wherever they are, is a clear sign of huge "Contradiction".

This is neither equality nor freedom. This is SLAVERY because you are "FORCING" ideas and thoughts on people or else they are ATTACKED & SILENCED.

This "Freedom" is just 1 sided and those BITCHES have taken the "Actual" freedom out of all normal people away, and is forcing everyone to either forcefully accept this NONSENSE, or just swallow their thoughts and keep shut regardless.

I CALL THIS BULLSHIT ! ! !

J.K.Rowling spoke about this publicly and thus got hated for it. The funniest thing is that the fact most of the bitches whom are hating is just following the "HATE TRAIN". They absolutely have no fucking idea "What" they are actually defending, what it means, and if it's right or wrong whatsoever. You are all just following the hordes like PIGS. You REALLY thought by adding "phobic" at the end of your fuckery is going to turn it into some of "Weapon"?

NO BITCH, it just turns YOU into a FAG! (laughing)

You are all mostly "sissy men" who just couldn't accept being inferior to women, so you went into a trip to realize that **in the end** there is ABSOLUTELY NOTHING you can do about it. And NOW you are neither a man nor a woman, you have completely lost your identity, and now you are just a "unidentifiable freak" that is fucking disgusting. Good job, FAGGOTS.

... Fag, Faggotry, Faggots! ... oh god, I love english <3

RANT END

Why do I think like this?

SIMPLE EXPLANATION:

This life is made of a "Duality" nature. Like the famous yin & yang. It is always made of exactly "2" opposite forces. You can clearly see that in life as:

- day/night
- light/dark
- heat/cold
- life/death
- etc

Genders work the same. They are also 2 strong different forces that oppose each other, hence making their impact "Greatest" as they complete

making their impact greatest as they complete
each other to perfection.

But what if we start mixing them without any rules
and 100% "Freedom" as the woke generation want?
Both sides lose their meaning and you end up with
something gray with no SPARK, doesn't hit any MARK,
just keeps you in the DARK.

To reddit admins: hey, keep collecting TRASH and
don't be ashamed whenever you drop yours pants in
a BACKLASH.

To reddit slaves: suck it harder bitches, you are
not doing good ENOUGH. Keep on it and do try to
forget the CUFF.

in response to this message, i will first of all say : ***FUCK YOU***, i was very wrong about you, you have turned out to be another SCUMMY BITCH.

the WHORE you are defending was intentionally covering and pretending "SHE" cracked the games whenever people there believed so. she was using "MY" work to populate her name, and never try to correct anyone by telling them who actually made the entire thing possible!.

also FAGGOT, this bitch is actually a "MAN". a low life scum sissy boy pretending to be a woman and he was exposed in front of countless people before in CS.RIN forums and many places.

so here are your FAULTS, MOTHERFUCKER :

1-- you are defending a BITCH who does nothing but a work that random 9 years old kids can do, and whom are pretending to be a woman, while using a freaking "Actress Picture" everywhere in his site, begging for SIMPS everywhere because he is a WORTHLESS EXISTENCE.

2--you are an ignorant LOSER who doesn't know SHIT about what happened, yet you running your stinky mouth like a PIECE OF SHIT, LICK THE FLOOR UNDER MY FEET, SUCKER.

3--i also noticed recently that you kept locking any post about me, and then you even made a rule that deletes ANY posts that has my "name" in it. you are a DISGUSTING PIECE OF SHIT, and i regret the time i visited your worthless subreddit you pathetic narcissistic BITCH.

To ***FitSHIT*** :

even after the graceful official apology i gave to you in the past [and my followers who was hurt from me], you STILL never acted properly, i saw you immediately say pathetic "Words" about me again on reddit. then i tried to fix it again out of respect to my dear friend "Christsnatcher", and gave you MULTIPLE chances to calm down and stop being a BUTTHURT BITCH, but it never worked. and "Clearly" it STILL didn't even till today.

but oh... maybe you will actually straighten yourself and act properly when you man up and stop pretending to be a woman, you SISSY BITCH.

AND HERE IS A SHAMEFUL EXPOSURE OF BEING A MAN & BEGGING FOR MONEY THROUGH MINDLESS SIMPS :

<https://i.postimg.cc/Yq0cBbWW/SSISY-SIMPING-MAN-WHORE-EVIDENCE.jpg>

why "ELSE" would a bitch like you do this, if you weren't both a "MAN" and a "BEGGER", huh ? ;)

LAST WORDS TO ALL MY HATERS :

YOU CAN ALL SPREAD YOUR HATE FOR ME AS MUCH AS YOU WISH, YOU ARE ONLY REFLECTING YOUR PATHETIC "JEALOUSY".

SO, KEEP JEALOUS, KEEP BUTTHURT, AND KEEP CRYING, CAUSE THAT IS THE ONLY THING WORTHLESS FAGGOTS LIKE YOU CAN DO.

(MIDDLE FINGER).
