I'm not a fan of the colder temperatures and having to bundle up, but I know that when I push past the self-talk, I'll be much stronger because of it. Today, I saw this quote pop up from Jerry Rice...

"Do today what others won't and achieve tomorrow what others can't."

I love when I get outside in the morning, when it's super dark and nobody is out. I remind myself of Jerry's quote.
