

## Spending Days In Spectacular Taj Hotel In Mumbai

I was planning to travel to India and spend days in Taj Hotel, Mumbai. Last time, when I visited India I made a few new friends who are staying in a Mumbai location and they told me how luxurious the Taj Hotel is.

So, I packed my things in the luggage and booked a flight ticket from UA Reservations. For the booking process I visited their website page of [United Airlines Ticket Booking](#) and got to know all the process.

I was ready and excited to encounter and experience the luxuriousness of this hotel. When I reached India and went inside the hotel it was so royal and also everything was too expensive like the food, hair cut, spa and other things as well.

Not only the hotel, when I booked a room for me and entered that room I was astonished how much expenses must be spent on this room by the owner of Taj Hotel.

I was enjoying and feeling like a king wherever I went in this hotel. It was the best experience I ever had in my life.
