

About DotCom Reps | Best Amazon Marketing Services Company

<https://www.dotcomreps.com/about-amazon-marketing-agency>

Established in 2009, Dotcom Reps LLC is a consulting agency & independent manufacturer's rep firm specializing in selling on Amazon. Our function is to manage your sales and marketing on Amazon. We work for manufacturers to create and further develop a customer base without dramatically increasing overhead or making drastic changes to existing business models. By expanding your online retail presence (increasing your digital footprint) with our eCommerce sales rep service you will increase your gross sales. We have over 10 years of experience using Vendor Central (1P) and Seller Central (3P), along with Brand Registry, KDP, Author Central, AMS, AMG, A+ content, Vine, and other valuable Amazon tools. Our primary service specialties include Amazon PPC management and Content Development.
