

## How to Figure Out if You need A Bin Rental

We have made a guide to help you determine if your project needs a bin rental for waste. If you answer our 4 questions, this will tell you if a rental is required and ensure you make the proper judgment call. We can help you logistically with a bin rental to help you dispose of all your garbage.

If you need our <u>GTA Waste management service</u>, contact us today! Go to our website to learn more about all our bin rental options.
